

UNDERSTAND THAT WINNING IS A BI-PRODUCT OF PERSONAL ACHIEVEMENT

## **BADMINTON ENGLAND TOURNAMENTS**

This note is being sent to parents/carers of players in the Raw Squad, who might not be aware of the Junior Tournament structure within BADMINTON England.

For detailed information go to the BADMINTON England website: -

[www.badmintonengland.co.uk](http://www.badmintonengland.co.uk)

Click on “Tournaments” (top centre), then click on “Juniors” (left middle).

As a member of the Teesside Performance Centre, each player will have signed up to the following commitments when completing the “Players Roles & Responsibilities” document when they joined.

- Designated number of competitive weekends per competitive quarter
- Compete at appropriate level on a regular basis
- Commit to singles

For players in the Raw Squad, this means entering the appropriate age group Junior County Restricted Tournament (Durham or Yorkshire), the ‘local’ Junior Tournament held at Thornaby (October and March) and BADMINTON England Tournaments

For the BADMINTON England Tournaments we would expect players from the Raw Squad to enter the Tees Valley Bronze Tournament for their age group. These are held at Thornaby Pavilion.

We would also strongly recommend the players enter the other two ‘local’ bronze tournaments for their age group - Northumberland and Yorkshire Tournaments.

In addition, for experience, players should also consider entering the Tees Valley Silver Tournament for their age group. These are also held at Thornaby Pavilion.

In addition for the U15 & U17 age group, there are Durham Silver Tournaments being played at Barnard Castle.

Players may enter other Tournaments outside the region, but this is not a requirement of the Teesside Performance Centre Raw Squad.

If you wish to discuss Junior Tournaments further please talk to Roger Cook
